RE: Appeal for denial of 2010 funding for the following funding request:

FRN: 1968729

Form 470: 464830000776447; Form 471: 726578

Category of service: Internet Access

Service provider: WiscNet Spin# 143004351

To Whom It May Concern:

On December 13, 2010, the Appleton Area School District filed an Appeal with the Commission of a denial of 2010 funding for the above referenced funding request. This appeal relates to a contract issue. On page two of our appeal we stated that the service provider (WiscNet) did not require a contract for Internet service. Subsequent to the December 13 filing we found out that WiscNet does require a contract, which we have. We apologize for this oversight but also believe that the other justifications and rationales we state in our appeal provide enough support to grant the appeal and we ask that the Commission's review of our appeal proceed accordingly. Thank you for your consideration of this matter. Please contact me if you have any questions.*

Sincerely,

Lee Blahnik
